

POST - HOLE DIGGERS

PHD

- It digs a smooth hole to 90cm depth
- Comes with optional auger sizes of 6", 9", 12", 18", 20", 24" (which is the typical diameter required for transplanting young palms from the nursery to the field)
- Takes less than a minute to dig a suitable planting hole, and with pre-set markers and driving/positioning time
- A skilled operator can complete 30-40 holes per hour.
